*Greetings Parents and Families of Olympian High School (OHS):*

*My name is Dianne Cordero and I'm extremely happy to join the staff of OHS as the new Principal. I'm very passionate about education and I look forward to partnering with you to provide our students with a rigorous, engaging, and high-quality high school experience. As the parent of three children, I recognize the importance of a strong home-school connection. Parents are every child's first teacher and I believe that by working together, we can make sure your child's social, emotional, and academic needs are met.*

**Dianne Cordero**  
**Principal**

*Before joining OHS, I served in a variety of teaching and educational leadership roles over the past 26 years, including twelve years as a high school principal. Some of the roles I have held include science classroom teacher, instructional coach and director of teacher preparation programs. My academic background includes a Master of Arts in Educational Leadership and a bachelor's degree in Biology.*

*I believe that great schools are the results of great teachers, so my primary objective will be to ensure that every student is receiving high-quality instruction from every teacher at OHS. In order to do this, I will be providing teachers with feedback on their instruction and access to professional development, and reaching out to parents for support with academic and behavioral concerns to ensure our students are prepared for college and 21st century careers.*

*I will be working closely with our Assistant Principals, Ms. Bumatay, Mr. Patterson, Ms. Scott and Mr. Wahib to guarantee that all of our scholars are intellectually challenged and have access to the social and emotional support critical to students during high school. Please get involved with the OHS PTSO to ensure that your voices are heard or send me an email directly at [dianne.cordero@sweetwaterschools.org](mailto:dianne.cordero@sweetwaterschools.org).*

*Thank you for the opportunity to serve your families in this role! Please do not hesitate to reach out to me if you have any questions, concerns, or ideas you would like to share.*

*Sincerely,*
